Normal IR LEDs

FY-76-72

Model：

Category：Normal IR LEDs

Product Features：

72pcs 850nm ir led 10mil,PCB plate,

Features & Benefits	Product Specifications	Purchasing Process	After sale service

The product name	infrared led board
Model number	FY-76-72
Product specification	72pcs ir led board
Shine the light	infrared led light
Power	10mil
Whether the waterproof	NO
Voltage	DC12V
Electric current	480mA
Product structure	cctv PCB board
IR-CUT support	Yes

Lamp cup angle	30°-45°-60°-90°
Fix lens	12mm/8mm/6mm/4mm
Effective illumination range	8-25meters
Wavelength range	850nm (72 ir led board)
Technical parameters	72pcs 850nm ir led 10mil,PCB plate, lamp panel for cctv with d
